

The Leadership Challenge®

A course that will challenge the way you look at leadership. There is a need for people to lead us to greatness, to inspire others, to seize opportunities, and make a difference.

The Leadership Challenge® takes an introspective look at your leadership strengths and weaknesses. You'll identify ways to build collaboration, teamwork, and trust. A core component of the Leadership Challenge is the Leadership Practices Inventory, a 360-feedback instrument, which identifies your behaviors around the Five Practices. We'll begin with a 50,000 foot view and bring it down to specific goals for your organization.

The Five Practices of Exemplary Leadership®

- Model the Way
- Inspire a Shared Vision
- Challenge the Process
- Enable Others to Act
- Encourage the Heart
